

Design a banknote

Front

A template for the front of a 20-pound banknote. It features a large outline of the number '20' in the top left corner, with a small '£' symbol to its left. In the center, there is a grey rectangular box. On the right side, there is a vertical grey bar. Below the bar, the number '20' is written in a large outline. The text 'BANK OF' is written vertically on the right side, followed by a dotted line. A dashed line runs vertically down the left side, and another dashed line runs vertically down the center. A dotted line curves from the top right towards the bottom right. A small scissors icon is at the top right corner.

Back

A template for the back of a 20-pound banknote. It features a large outline of the number '20' in the top left corner, with a small '£' symbol to its left. The text 'BANK OF' is written in the top center, followed by a dotted line. On the right side, the text 'TWENTY POUNDS STERLING' is written vertically. A dashed line runs vertically down the left side, and another dashed line runs vertically down the center. A dotted line runs horizontally from the 'BANK OF' text to the right. A small scissors icon is at the top right corner.
