Visiting Museum on the Mound

MUSEUM
ON THE MOUND

- We're really looking forward to welcoming you to Museum on the Mound in Edinburgh.
- Your group will be the only one in the museum.
- Because the museum will be closed, someone from the museum will unlock the gate when you arrive.

Hannah

Doug

Nicola

- Hannah, Doug and Nicola work in the Museum. They are here to help and love answering questions.
- There will also be people who work for Lloyds Banking Group helping you on your visit.

- When you arrive, one of the museum team will show you where to go.
- We will walk through the museum and you will see a mannequin. The mannequin is wearing a long black cloak that someone wore in an old TV advertisement.

- We will go into a room where you can put your things in a cupboard to keep them safe.
- If you want to keep them with you, please let the museum team know.

10:30: Arrival, snack and
introductions

10:45: Activity 1

11:35: Activity 2

12:30: Pack up and depart
or lunch in Museum

- This is the plan for your visit to the Museum.
- Your class will be divided into two groups. You will take part in two activities.

- One activity will be led by a member of the museum team.
- You can ask questions during the activity.

- There will be things to see, smell, do and touch.
- One of the things you might touch is animal fur.
- If there is anything that makes you uncomfortable, please just let the museum team know.

MUS£UM £THE MOUND

Today I _____
struck my own coin.

It is a replica of a 13th century
Scottish silver penny from
the reign of Alexander III.

- You will have the option of making your own replica medieval coin.
- There is a loud noise when the coin is hammered.
- If this makes you uncomfortable, you can let the museum team know.

- In the museum, you can use UV lights and microscopes to discover the incredible security features on our banknotes.
- You can test the strength of polymer vs. paper.
