Visiting Museum on the Mound

MUSEUM
ON THE MOUND

- I'm going on a visit to Museum on the Mound in Edinburgh.
- My group will be the only one in the museum.
- Because the museum will be closed, someone from the museum will unlock the gate when I arrive.

Doug

Gillian

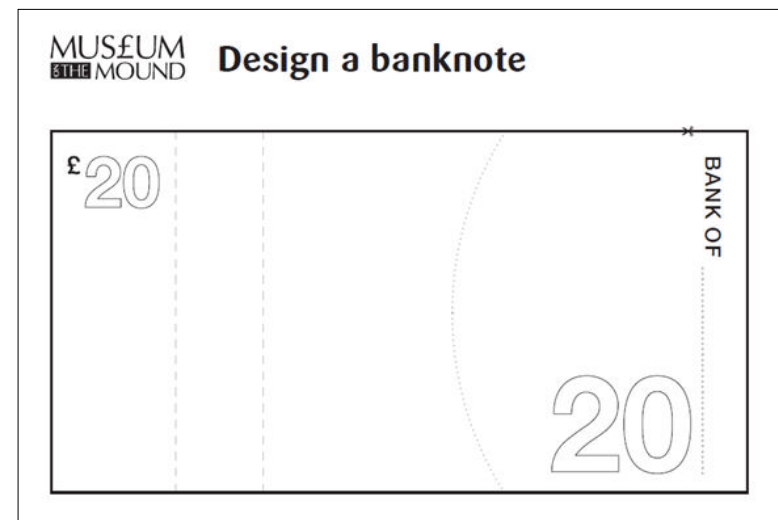

- Hannah, Doug, Nicola, Gillian and Emma work in the museum.
- Some of them will be helping me on my visit. I can ask them questions.

- When I arrive, one of the museum team will show me where to go.
- We will walk through the museum and I will see a mannequin. The mannequin is wearing a long black cloak that someone wore in an old TV advertisement.

- We will go into a room where I can put my things in a cupboard to keep them safe.
- If I want to keep them with me, I can let the museum team know.

- I will take part in 3 activities at the museum.
- These will be led by a member of the museum team.
- I can ask questions during each activity.

MUS£UM £THE MOUND

Today I _____
struck my own coin.

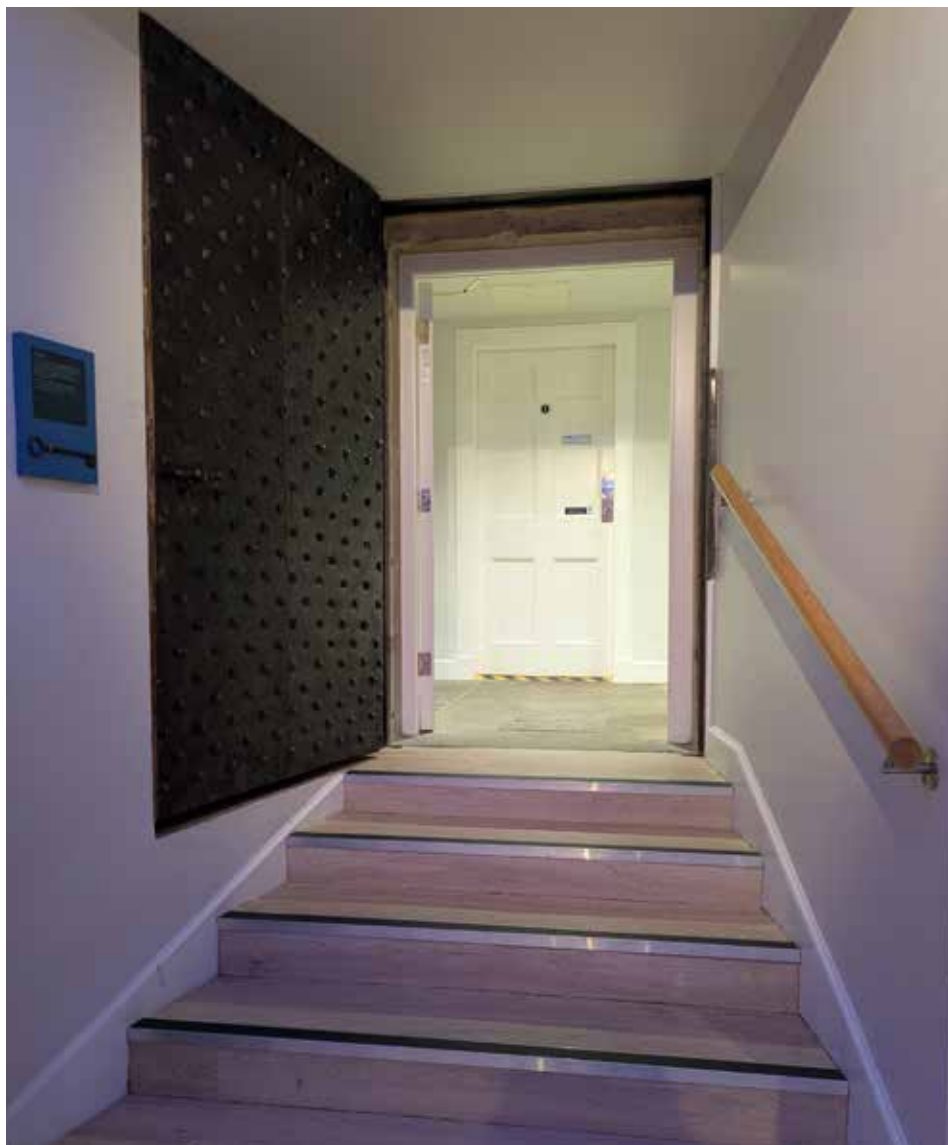

It is a replica of a 13th century
Scottish silver penny from
the reign of Alexander III.

- One of the activities I might do at the museum is make my own replica medieval coin.
- There is a loud noise when the coin is hammered.
- If this makes me uncomfortable, I can let the museum team know.

- The museum is on one floor of the building.
- There are lifts, but I will not need to use them.

- I will be shown where to find the toilets.
- There are paper towels rather than hand driers.

- There is a quiet area in the museum that I can use.
