It is essential that the group leader and all accompanying adults read this information before the visit.

Timing

If you need to change the time of your visit, please give us as much notice as possible. On the day, if you are running more than ten minutes late, please contact the Museum on 0131 243 5445/5464.

Supervision

We need a minimum of **two** responsible adults (including the group leader) to assist us in managing the learners. These adults are responsible for supervising the learners at all times including breaks.

Before your visit

- Tell the learners and accompanying adults to bring a drink and a snack for break time - there is nowhere on site to buy refreshments.
- Pre-divide the class into two groups.
- Impress upon the learners that they will be handling some very old and fragile objects – they will need to treat them with particular care.

Arrival at the Museum

The Museum does not open to the public on Mondays, and the entrance gate will be locked. We will unlock the gate for you at the agreed starting time. If you arrive early, please telephone on approaching the Mound - 0131 243 5445/5464.

During your visit

- Learners must be accompanied by a representative from the school at all times.
- No food or drink is allowed in the display areas.
- Please do not touch the objects or paintings on open display – dirt, salt, sugar and grease on our fingers can damage them.
- People will be working elsewhere in the building, so please keep your voices down even when there are no other visitors in the Museum.
- Photography is permitted, but please do not use a flash in the galleries.

Facilities

- **Access** - the Museum is reached via a paved walkway through the garden, and is fully accessible to wheelchair users. The reception space and multi-purpose room have been fitted with an induction loop.
- **Cloakroom** – a lockable cloakroom is provided for coats and bags.
- **Toilets** – these are located beyond the gallery space and include one accessible toilet.
- **Lunch** – if the weather is dry, packed lunches can be eaten in the garden. Alternatively, our multi-purpose room can be used, but learners will have to sit on the floor.
- **Please Note** – **there is nowhere to buy tea, coffee or other refreshments.**
